FISHING TIPS

TESLA LAKE - WAHLA LAKE - OLAF LAKE

Some lures that have been successful for Tesla Lake & Wahla Lake (variety of colours)

- | | | | |
|------------------|-------------------|---------------|-----------------------------|
| * FST | * Mack Squid | * Ford Fender | * Gibb Stewart #5-51/2 - #6 |
| * Apex 4-5-6 in. | * Canadian Wonder | * Flatfish | * Coyotes #4-5-6 |
| * Impalas | | | |

- ❖ Light to medium Rods - level wind star drag reel
- ❖ 12 lb. Line (no leader) good quality swivel to lure - about 8ft. of line from lure tie in a troller sinker. Good swivels
- ❖ Weights 1oz. - 4 oz. trolling 100 -300 ft. Behind boat.
- ❖ Our boats are equipped with brackets and downriggers. Bring extra releases for downriggers.
- ❖ Some fishermen have had great success using down riggers and large flies.
- ❖ ** However, one success story was a 12 lb. trout caught on a small fly skipping close to the surface while heading back to camp on a windy day.
- ❖ ** 5 fish (7 - 15 lbs.) - one afternoon (June 2001) at Wahla Lake were all caught using
 - a 4 weight fly rod
 - Cone Head (brass) Woolly bugger - Red with Crystal flash
 - size 6 hook and a 6 lb. leader, at a depth of approximately 15 feet.

- OLAF LAKE** small flies: doc spratly - wolly bugger - pheasant tail nymph (or your favourite)
small lures: brass or silver crocodiles - Gibbs florescent green & brass
- ❖ plentiful rainbows up to 2 lbs. - good fly-fishing.

TESLA RIVER bring your favourite rod & flies.

Almost any lure will work if you have a little luck on your side !!!
